December 2023

Bellairs Park, Yarraville
Resident feedback

In November 2023, we asked neighbours how they currently use Bellairs Park in Yarraville.

We also asked what upgrades they would like us to consider as we prepare to redesign the park.

How we engaged

A letter was sent to all properties within 200 metres of Bellairs Park.

A hardcopy survey was enclosed, along with a link to complete the survey online.

The survey was open for three weeks.

Engagement response

350
letters sent to properties within 200 metres of Bellairs Park

86 responses

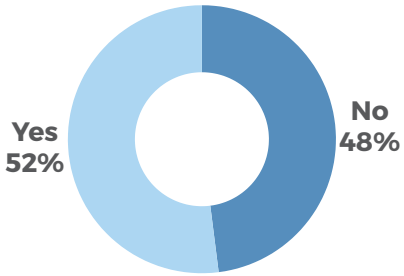

21
hardcopy surveys

65
online surveys

Do you currently visit Bellairs Park?

Reasons for visiting:

- dog walking
- dog training
- to meet other dogs and owners
- to relax
- to spend time with friends and family

Reasons for not visiting:

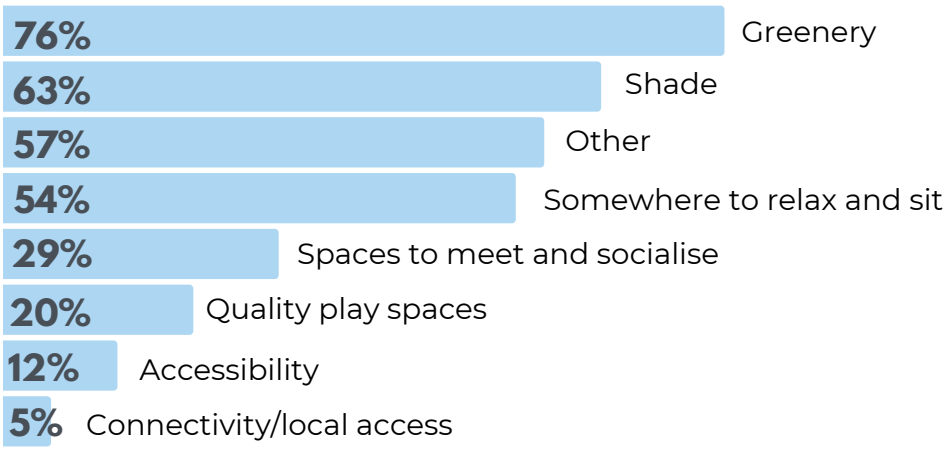

- lack of appeal
- primarily used by dog owners
- not enough amenities
- low quality play equipment
- uninviting space

What is important to you when visiting Bellairs Park

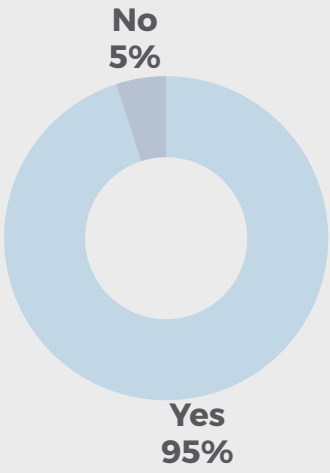

Other includes:
- off-leash dog park
- fencing and enclosed space
- dog bags and bins

Would you support the removal of the existing play equipment to make space for a new feature at the park?

Reasons for:
- play equipment is outdated
- it does not get used
- playground does not cater to all children
- playground is too small

Reasons against:
- new feature is unknown
- play equipment should be upgraded, not replaced
- children need play spaces

What are the features you would most like to see as part of an upgrade of Bellairs Park?

83% Grassy areas

58% Other

47% Vegetation and planting

43% Places to sit and relax

Other includes:
- dog and general amenities
- lighting
- off-leash dog park
