Your feedback on Bike Sports in Maribyrnong

From November to December 2022, we asked for community feedback on the draft Maribyrnong Bike Sports Infrastructure Development Plan.

This was the second community conversation to explore opportunities to create facilities to support the growing popularity of bike sports in our City.

How we engaged

A variety of methods were used to maximise participation, recognising November and December as a busy time for our community coming into the festive season.

Engagement results

60+
emails received

one online information session held

70
documents downloaded

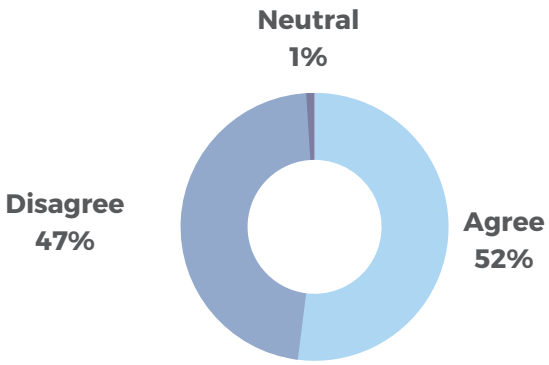

70
surveys completed

90
votes on the quick poll

1,100
letters to properties in close proximity to current or potential facilities identified

Do you agree with the proposed vision?

"Maribyrnong's connected and diverse network of bike sports offers the community a pathway into bike sports and a life-long engagement with riding"

Strategic objectives you agree with

1 **84%**

Support providing a diversity of new bike sports infrastructure that offers everyone in the community a pathway into participation

2 **71%**

Support developing partnerships and facilitating programs that foster participation

3 **64%**

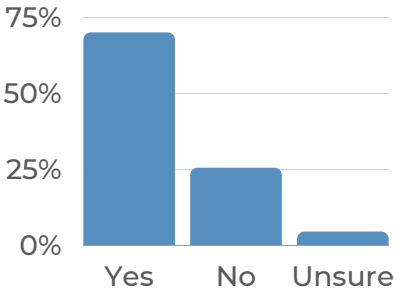

Support advocating for funding and events

4 **84%**

Support well maintained and managed facilities

Do you support the proposed extension of the Quarry Park Mountain Bike Park?

While survey responses indicated support, almost 60 emails and a petition were also received opposing any increased sporting use.

Reasons for:

- Accommodate high numbers of visitors to Maribyrnong
- Recognition of growth in Bike Sports
- Supporting access to diverse sports facilities

Reasons against:

- Traffic and parking
- Potential loss of open space
- Concern for the Korean War Memorial - which Council confirms **will not** be touched

Level of support for proposed facilities (in addition to Quarry Park)

70% Cranwell Gardens Four Cross Tracks

77% Robert Barrett Reserve junior bike skills track

81% Braybrook Park junior bike skills track

79% Hansen Reserve junior bike skills track

80% Yarraville Pump and BMX track

Your relationship to bike sports

58% Live near a bike sports facility

36% Identify as bike sports participants

6% Are neither participants nor facility neighbours
