

LEGEND

Note: Harris Reserve Landscape Upgrades will be delivered in stages. Stage 1 will occur in 2025, with future stages subject to Council funding.

1. Upgrades to granitic sand paths
2. New evergreen tree with large canopy
3. Infill planting to existing garden bed areas
4. Removal of garden bed under trees to open up social area & improve visability to play space
5. Removal of grass due to overshading & expansion of garden bed and granitic sand pavement
6. New picnic tables
7. New drinking fountain relocated
8. New shelter offset from centre of park to not obstruct paths
9. New seating
10. New park signage
11. New heritage interpretive signage
12. New low level park lighting
13. Relocation of the entry point fencelines - subject to further due diligence

Endorsed Concept Plan

Harris Reserve, Seddon
August 2025
